1. Blue Wave Car Wash Time Extension, AP-26-0016 (EXT); AP-21-1562 (UP, DR, RZ)

This is a request for a three-year time extension of the Use Permit and Design Review approved entitlement for the Blue Wave Car Wash project (AP-21-1562). Blue Wave Car Wash was originally recommended for approval by the Planning Commission to the City Council under Planning Commission Resolution No. 10213. The City Council subsequently adopted Ordinance No. 23-1506 and Resolution No. 23-14236 and 23-14237, approving the project. The Blue Wave Car Wash entitlements were set to expire on February 6, 2026. On January 29, 2026, the applicant filed a request for a three-year time extension. The parcel is located in the CC-O (Community Commercial with a Limited Overlay) Zoning District and is identified as 1160 East Leland Road. Assessor's Parcel No. 088-230-028.

This project is exempt from the California Environmental Quality Act (CEQA) per CEQA Guidelines section 15061(b)(3). Section 15061(b)(3) states that "CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA." The proposed request is a Time Extension only for an additional three years for an existing, approved project. There is no possibility that this Time Extension request may have a significant effect on the environment and, therefore, is not subject to CEQA. The underlying automobile washing facility project approvals underwent separate environmental analysis and there have been no proposed revisions or modifications to project since the original approvals (State Clearinghouse Number 2022080293).
