COMMISSIONER COMMENTS/STAFF COMMENTS

1. Commissioners are interested in a legacy project and something that can continue after they are no longer Commissioners. Possible ideas include:
 - a. Community Preservation – a way to ensure Pittsburg’s history is preserved and young people have access to information. Working with Pittsburg Museum to promote and outreach to community.
 - b. Sports teams on campus – ways to provide camps or activities for youth that do not have a financial barrier. Sports Coordinator or staff could present at a future meeting.
 - c. Hoping to use Committees as a way to move our work forward.
